CIRCULAR

The Service Record Information System (SRIS) Portal, used by West Bengal Stenographers (Schedule A English Stenographer, Schedule B English Stenographer and Bengali Stenographer), was originally hoisted at the National Informatics Centre's Mini Data Centre in Kolkata. To further enhance the portal's reliability, security, and operational efficiency, NIC Kolkata recommended migration of the hoisting environment to a more robust data centre.

After careful deliberation, the Government has approved the migration. The SRIS portal has now been successfully transferred from the NIC Mini Data Centre to the West Bengal State Data Centre (WBSDC).

Now, the Governor is pleased to announce that the upgraded SRIS Portal will be accessible at <https://finsteno.wb.gov.in> and it will officially go live on 27.01.2026 at 12:00 P.M.
